**Sermon Title: Clothed By A Unifying Christ**

**Speaker: Richard Smith**

**Scripture text(s): Galatians 3: 24-28**

---

- 1) Richard said that as Christians we are fully saturated with Christ--clothed with Him. How has this changed your day-to-day life?
- 2) How does continuing to live under the law affect your life even though you've been clothed with Christ?
- 3) What is your view of the Law-Giver? Based on your answer, what will be your view of the law?
- 4) What encouragement do you receive knowing that you are perfect because you're clothed with Christ whether you have a bad day or a good day?
