Sermon Title:

Speaker: Tim Keese

Scripture text(s):

- 1) Do I hinder the works of Christ or do I set my eyes on the things of God? What do I need to change in my lifestyle and belief system in order to keep my eyes fixed on Him?
- 2) Am I willing to identify with Christ no matter what the cost, even death? If not, what areas of your life can you identify that you're holding onto that prevents this?
- 3) How much risk am I willing to take for Jesus?
- 4) In what ways do I let my fear dominate my decisions?
- 5) How am I an effective messenger of the Gospel? How can I be more effective?
- 6) When was the last time I took a risk when I shared about Jesus?
- 7) How are you spending your life instead of trying to save it?
