Sermon Title: We Finish As We Began

Speaker: Richard Smith

Scripture text(s): Galatians 3: 1-9

- 1) In your experience, how have you been told your faith wasn't enough?
- 2) How have you believed the lie that it was good to start with faith but you needed to finish with works?
- 3) How do you know when you've done enough works to earn God's favor and righteousness?
- 4) Richard talked about Abraham believing God, not believing "in" God. How would you characterize your belief? What are some steps you can take to turn belief "in" God to believing God?
- 5) Abraham's trust, belief, and faith was credited to him as righteousness. How does this bring you encouragement for your own life?
- 6) What have you seen is the result of someone you know, or even yourself, trying to add their own righteousness to God's?
