Sermon Title: Limitless

Speaker: Richard Smith

Scripture text(s): Ephesians 3:20-21; Mark 9:14-29

- 1) Read Mark 9:14-19. What was the problem posed to Jesus? Why did the disciples fail?
- 2) Were the disciples qualified to exorcise the demon from the boy? Why?
- 3) Richard said, "Desperate praying releases the power of a supernatural God." Discuss how you have seen this in your own life.
- 4) Richard submitted that we don't pray because we don't see our own weakness, that we feel too strong and self-reliant. In what ways are you self-reliant? In what ways have you recognized your own weakness? Did you allow it drive you to God in prayer to battle against self-trust and self-sufficiency?
- 5) Read Mark 9:19-29. Why does the size of our faith matter? What lesson can we learn from Jesus' question, "If you can?" in verse 23?
- 6) How does Jesus respond to our imperfect faith?
