Sermon Title: Limitless Part 4

Speaker: Richard Smith

Scripture text(s): 1 Chronicles 4:9-10

- 1) Read 1 Chronicles 4:9-10. Have you ever prayed for God to bless you? Was your request centered around needs you had or was it centered around grasping the value of Christ and helping others grasp His value?
- 2) How has God expanded your territory? Give a testimony of how God has worked in your life in this way.
- 3) What keeps you from praying Jabez's prayer? Fear? Indifference? Comfort level? Need to control your life?
- 4) Discuss how you have seen in your own life the inescapable need for God. How have you seen God meet needs that you knew could only be met by Him?
- 5) Share of a time in your life when you were devoted to prayer either on your own or with a prayer partner or a group. What resulted from that time?
