Sermon Title:

Speaker: Richard Smith

Scripture text(s):

- 1) Richard gave us three attributes about God. The first is that He is eternal. Why is this important to know and believe?
- 2) The second attribute is that God is Spirit and therefore omnipresent. Why is this an important fact to know? How does this encourage you?
- 3) This second attribute tells us that God cannot be confined. What does this mean?
- 4) Read Matthew 8:24-26. How do you see Jesus' imminence and transcendence in this passage?
- 5) The third attribute Richard gave is that God is supreme and sovereign. Supremacy meaning He owns all things and sovereignty meaning He is ruler of all things. How does 1 Chronicles 29:11-12 reveal this? Discuss this in terms of our world, society, and culture today.
- 6) How do these attributes of God translate to us living out our relationship with Him? How does this change your perspective? How does this change how you approach others with the love of Christ?
