Sermon Title: The Knowledge and Power of God

Speaker: Richard Smith

Scripture text(s):

- 1) Read Genesis 1:1, Psalm 33:6, 9. Discuss the power, creativity, and knowledge of God.
- 2) Read Psalm 8:3-4, 139:13-14, and 147:4-5. How does this humble you and comfort you?
- 3) Richard gave us three responses to God. The first being trembling. Read Psalm 139:2-4, 6 and Ezekiel 11:5. How does this bring us to tremble before God? Why should we tremble?
- 4) The second response is adoration. In what ways can we adore Him? Why is this an important response to have in our lives?
- 5) The third response is trust. From the scriptures we've just read, how would this knowledge of God bring us to trust Him?
- 6) What are some obstacles to these three responses? How can we combat those obstacles and stay in a right perspective about who God is and who we are?
