God, Thank you for feeding your people when they are hungry and thirsty. Thank you that Jesus gives people life forever and we will never hunger or thirst again.

- What is your favorite food?
- What is your least favorite food?
- When are you tempted to complain?
- What are ways God provides for your family?

- Make a list of things you need to live, and then make a list of blessings God has provided above your needs. Thank God for His care.
- Work as a family to bake bread. Deliver the bread to your neighbors.
