**Sermon Title: Jesus And Property Management**

**Speaker: Richard Smith**

**Scripture text(s): Luke 16:3-15**

---

- 1) Are you storing up treasure in heaven or on earth? What would others say about you? What would Jesus say?
- 2) Read Luke 16:3-11. Why is worldly wealth not true wealth?
- 3) Since we know that we can't take worldly wealth with us into eternity, what does your eternal portfolio look like? Discuss ways to increase your portfolio.
- 4) Read Luke 16:12-14. What does stewardship look like when it's lived out? What is your perspective on stewardship? What is God's perspective?
- 5) What are your thought patterns? How often do you think about money?
- 6) What is your biggest passion? Am I obsessed with acquiring more things that I might increase my pursuit of pleasure? How has your perspective changed over the course of your life?
- 7) Where do you find joy--in giving freely as God directs? Is it difficult to live with a generous hand? If so, why? What steps can you take to begin to find joy in giving freely?
- 8) Richard gave us this quote by Stephen Um--"A lack of generosity is proof that some other lover has captured our affections." What captures your affections? How do you identify them?
