**Sermon Title: Rebuilt to Rebuild**

**Speaker: Ronnie Marmol**

**Scripture text(s): Nehemiah**

---

- 1) Why should we be willing to look at our broken world?
- 2) What was wrong with the city as Nehemiah was looking over it?
- 3) Why is it important for us to own our sin? To own the problems in our city?
- 4) What is the importance of people being restored before they are rebuilt?
- 5) What breaks your heart? What has God put in front of you that you can't ignore?
- 6) What was Nehemiah's habit before he acted? Is this your habit? If not, what steps can you take this week to begin making it your habit?
- 7) When the enemy comes to distract you from the work God has called you to do, how do you handle it? In what ways can we glorify God by how we respond to those distractions?
- 8) What is your role? How can you get involved?
