

Great Storms, Great Promises

Acts 27

Take-Home Truth: In life's storms God strips away all hopes so that I hope only in his promise.

Reflect: (Go deeper in the Word and in our world)

1. Last week you resolved to respond in a specific way? How did that go?
2. Where do our friends at work and school tend to look in the midst of life's storms?
3. Read v20 and feel what Paul is feeling. Why would the sovereign King do this?

Respond: (Live out God's truth from the inside out)

4. Most Christians agree that Jesus is present with us in every storm, but why is it so hard for you to remember and access that truth when you need it most?
5. How do you discern the difference between a pragmatic solution to life's storms and faith in God's promise?
6. How can you begin to see the storms of life as an adventure in which God strips away all hopes and calls you to trust his promises?

Resolve: What is the one thing you are committing to do this week?
