

Hope Unveiled
Revelation 1:9-21

Take-Home Truth: *Jesus is the King of the universe who works in the chaos as he walks with his church.*

Christ-Connection: *Jesus is God, Jesus is life and Jesus rules death.*

Reflect: *(Go deeper in the Word and in our world)*

1. As a group, read Revelation 1:9-21. What stands out to you most from this text?
2. Describe the attributes of Jesus both in his physical description in verses 13-16 and in his response to John in verses 17-18.
3. How did John respond to Jesus' presence? Do you remember another time in scripture where people encountered the presence of God? How did they respond?

Respond: *(Live out God's truth with new affections, mindset, and actions)*

4. How does knowing that Jesus is God, Jesus is life and Jesus rules death affect your faith in the midst of your circumstances?
5. Richard said, "You can spend your life putting yourself in situations in which you are noticed and honored. Or you can spend your life getting to know those who are suffering in this world."

Currently, which of these two is a better description of your life? Why?

Resolve: *What is the one thing you are committing to do this week?*
