

The Final Harvest of The Son of Man

Rev 14: 14-16

Take Home Truth: While evil is prevalent in the world, God is patiently waiting for people to choose Him (righteousness) over evil.

Christ-Connection: The Son of Man will reap the harvest (judge) from this earth.

Hook:

Describe a time when you have reaped the consequences of your life decisions (both good and bad)?

Engage:

1. Richard shared an Old Testament passage and a New Testament passage (Dan 7: 9-14) (Matt 13: 24-39) concerning the Son of Man. What do you learn about the Son of Man from these passages?

Reflect:

2. Why does Jesus say, "Let the weeds and wheat grow together until the harvest."? How does this demonstrate His grace? (Matt 13: 24- 30)
3. How did George's testimony (Jumpstart) illustrate this truth? How does your testimony illustrate this truth?

Respond:

4. In light of the pending, inevitable harvest, what changes in your life (habits, desires, worship, prayers) does this passage lead you towards? (Rev 14: 14-16)
