

# Mission Trip Donation Form

Contributions are Non-Refundable

**Please complete *only* if you wish to receive a tax deduction for your donation.**

Each individual that is going on a mission trip is responsible for raising a percentage of the total cost of the team's trip. According to IRS Publication 526 on Charitable Contributions, a contribution designated for a specific person is considered a gift and should NOT be listed on a donor's contribution statement. **However**, by completing and returning this form in its entirety with your donation, you are indicating that your donation is for the benefit of the team and not a specific person which will then allow this donation to be considered a tax-deductible contribution on your contribution statement.

If we do not receive this form with your donation, we will understand that you wish to make your donation a gift, and you will not receive a contribution statement for tax purposes

**If you wish to receive a tax deductible contribution statement for your donation, please initial BOTH statements, fill in all information in the portion below and DO NOT write the individual's name on the check, instead write "AK Mission Trip 2023" on the memo line and make the check payable to "Hope Point Church."**
