

The Beauty of Peace-Bringing Feet

Eph 6: 11-15

Take Home Truth: Peace with God increases as we share the gospel.

Christ-Connection: Christ provided **peace with God** through His death on the cross, and God offers this peace to all who call on His name.

Hook: Does our culture promote peace? Why or why not?

Engage:

1. How did you obtain peace with God? (Eph 2:13)

Reflect:

2. Read the main text again (Eph 6:11-15). What does it mean to have your feet fitted for readiness in this passage?
3. What are the outcomes/symptoms of the prevalence of evil in our culture?
(The Frankfurt School, teenage girlhood crisis, etc)
4. Isaiah 52:7 is a parallel OT passage to Eph 6: 11-15. How do we as believers make our feet beautiful in this culture?

Respond:

5. How do we inject peace into a culture of chaos? (Philemon v6)?
6. What obstacles hinder you from sharing the gospel of peace? How can you overcome them?
