

“The Returning King”

Revelation 19

Take-Home Truth: *You cannot know Jesus unless you know Him as a sacrificial lamb and a warring king.*

Christ-Connection: *Christ is gloriously good. But, if the world rejects Him, they are spitting in the face of the world’s most powerful judge and will be condemned to permanent destruction.*

Recap: *(Talk about last week)*

1. The title of last week’s message was “Four Hallelujahs.” How have those four things we should be thankful for caused you to wait and even suffer with hope?

Engage: *(Observe the passage and engage with the text)*

2. Read Revelation 19:11; John 14:2, 3, and 6 and discuss why Jesus is called “Faithful” and “True”?

3. Read Revelation 19:15, 16; Psalm 2:10-12 and discuss how Christ the returning King will defeat Satan and his limited power.

Reflect: *(Reflect upon the key take-aways from the sermon)*

4. How does this passage reassure us that we will be protected during the final battle?

5. Compare how Jesus came initially on a donkey before being crucified but returns a second time on a white horse to judge the world.

Respond: *(Apply the truths of God’s Word to your heart, affections, and actions)*

6. Richard used the example of the Blackstone grill. He explained the dangers of flames being unseen. Are there examples in your life where you have moved too close to a surface that is hot or are you there now? What do you need to do to make sure you are not “deluded” by the false prophet?
